

<p>Corps Mission Essentials</p> <p>Maximum-22 Delegates</p>	<p>This track prepares great commission corps for the great mission field of North America. Every program will be designed for presenting the gospel to non-Christians, and making disciples of Jesus Christ. It will show how your congregation can learn to focus on the one thing that most matters: bringing people into a saving relationship with Jesus Christ.</p>
<p>Corps Health Coaching</p> <p>Maximum-13 Delegates</p>	<p>This track will be focused on learning and practicing coaching skills. It will focus on coaching dynamics, coaching practice, relating through discovery listening, using powerful questions to reflect and refocus, resource and review and how to use an online tool. Eight of the participants in this track will also go on to have a mentor relationship with a coach for six months and be certified. This is a foundational track for coaching NCD or any other health or mission initiatives with corps. It is also effective in coaching leaders to implement mission or discipleship programs and in developing disciples in your corps.</p>
<p>NCD Basics</p> <p>Maximum-25 Delegates</p>	<p>This track will discuss evaluation techniques, ministering in ministry teams, eight quality characteristics, diagnosis and how to deal with your minimum factors. It will be for corps who are ready to pursue doing NCD and for coaches who are going to be assisting them through</p>

	<p>the process. A corps who participates in this track should have fifteen willing leaders to take the initial assessment and an assigned coach to lead them through the process.</p>
<p>Small Group Essentials</p> <p>Maximum-35 Delegates</p>	<p>What exactly is a small group? How can I start this ministry at my corps? This highly interactive introductory course will provide a <i>Scriptural basis and practical overview</i> of how to begin small groups at your corps. In two days you will go through how your corps can start and grow a healthy small group ministry.</p>
<p>Small Group Experience</p> <p>Maximum-12 Delegates</p>	<p>If you have been trained in small group ministry, are implementing the model, and are looking for how to take it to the next level, then this is the course for you. You will walk away with practical knowledge in long-range planning for your small groups. Additionally, this track will examine some common pitfalls that can arise in the course of implementing small groups.</p>
<p>Small Group Networking</p> <p>Maximum-8 Delegates (invitation only)</p>	<p>This track is intended for those that have been on the journey in Small Group Ministry and are ready to help us continue building our small groups in the Army across the Eastern Territory by intentionally investing in other corps in their division to help them navigate this exciting and challenging ministry.</p>

	This track is by invitation only.
